

Title I Parent & Family Engagement Policy & Compact

Purpose of this Policy and Compact

Efforts will be made to clearly articulate the school's intentions to engage with and involve parents/caregivers in the educational process.

Woodburn Elementary is a Title I school within Fairfax County Public Schools' (FCPS) and utilizes the Title I grant to improve student achievement and help all students meet the objectives of the FCPS Program of Studies and the Virginia Standards of Learning. A partnership with families is essential to meeting this goal.

Under Title I, Part A of the Elementary and Secondary Education Act, schools that receive Title I funds are expected to collaborate with families to develop and maintain a parent and family engagement policy that describes the school's approach to involve families in students' learning and includes a compact expressing the partnerships among staff, caregivers, and students to reach high academic goals for every student.

Woodburn Elementary jointly developed this policy and compact with members of the school community and adopted it for the 2021-2022 school year. A number of the provisions specifically address state or federal expectations for the policy and compact.

This policy and compact is distributed to all caregivers in a language that families can understand. Caregivers have opportunities to provide comments and feedback on the policy and compact through October 2021. Comments are submitted with the school's policy and compact to FCPS central offices and the Virginia Department of Education (VDOE). This policy and compact are made available to the broader school community through the school website.
