

# CLEMINTINES

## **History**

There is debate about where clementines originated. Some say they're a variation of mandarins from China. Others say they were created in Algeria by mixing two different kinds of citrus fruits.

## **Fun Fact**

Clementines are known as the “crown jewel” of citrus fruits. They are only in season for a few months out of the year.

# Activities

- Discuss the different types of citrus fruits.
- How many have you tried?
- Which one is your favorite and why?
