

Spotlight on Visual Art

Hello Woodburn Families!

Woodburn Art teachers, Mr. Kettler and Mrs. Patel, are excited to share with you some exciting art-related events taking place at Woodburn and in our area.

On May 26th, Woodburn will be hosting a virtual event where we will come together to share some of the arts integration we have been working on in collaboration with the Kennedy Center's CETA program as well as the Fairfax Symphony Orchestra (FSO). We will also be revealing the mural that some of our students have been painting in the school lobby. See the picture below! More information about this event will be coming out soon.

If you feel like taking the family to a local art gallery, here are some suggestions!
